

Division of Chemical Physics 2020 March Meeting Focus Sessions

Program Chair: Albert Stolow

Electronic-Vibrational Coupling in Light Harvesting

Organizers: Jacob Krich and David Jonas

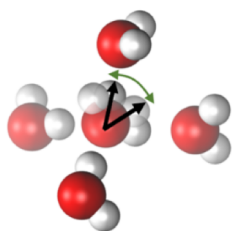

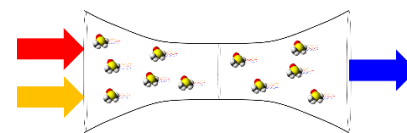

Ultrafast Spectroscopies and Coherent Phenomena in the X-ray Domain

Organizers: Shaul Mukamel and Michael Schuurman

Coherent Nonlinear Optical Microscopy

Organizers: Adrian Pegoraro and Marcus Cicerone

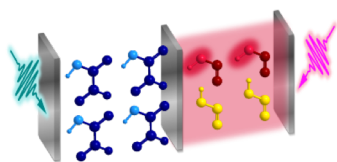

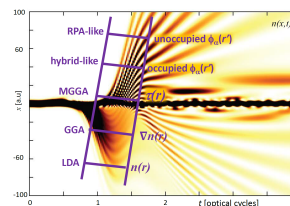

Water Dynamics in Different Environments: Experiment and Theory

Organizers: Mischa Bonn and Teresa Head-Gordon

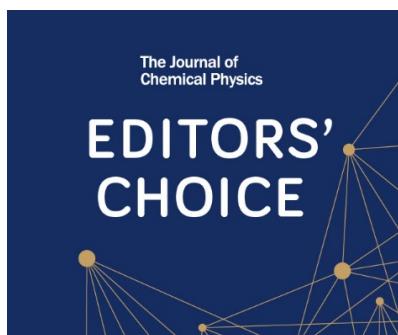

Density Functional Theory and Beyond

Organizers: Neepa Maita and Kieron Burke

The Chemical Physics of Molecular Polaritons

Organizers: Joel Yuen Zhou and Wei Xiong

Journal of Chemical Physics Editors' Choice

Organizer: Albert Stolow

March 2-6, 2020, Denver, CO. Abstract Submission Deadline: October 25, 2019
