

Division of Chemical Physics

2019 March Meeting Focus Sessions

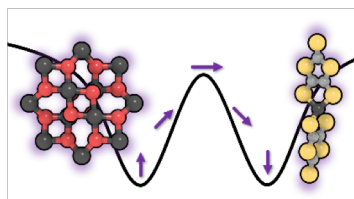

Program Chair: Laura Gagliardi

Gas Phase Clusters

- Experiment and Theory in Concert

Organizers: Joachim Sauer and Knut Asmis

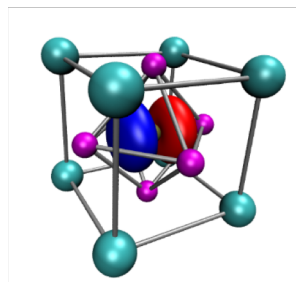

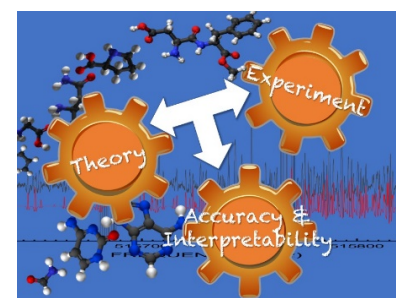

Molecular Magnetism and Quantum Information

Organizers: Bess Vlaisavljevich, Mark Pederson, Evelyn Goldfield and Michael Berman

Bridging the Gap Between Theory and Experiment in Gas-Phase Spectroscopy and Dynamics

Organizers: Cristina Puzzarini and Julien Bloino

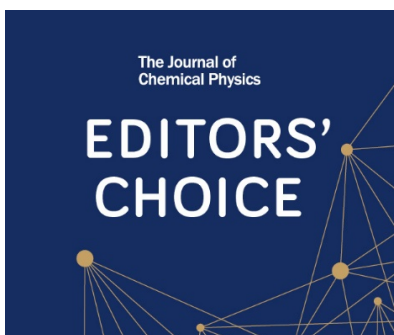

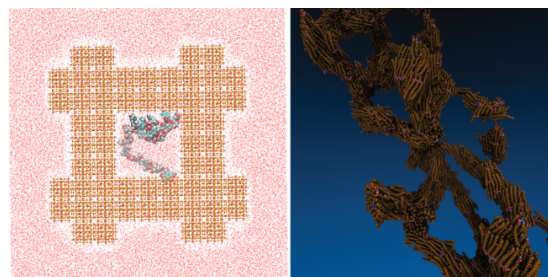

Periodic Quantum Chemistry Beyond DFT

Organizers: Timothy C. Berkelbach and Garnet Chan

Advances in Hierarchical Systems: Theory and Experiments

Organizers: Neeraj Rai and Dongxia Liu

Journal of Chemical Physics Editors' Choice

Organizer: Laura Gagliardi

March 4-8, 2019, Boston, MA, Early Registration Deadline: January 14, 2018
