

## APS/DFD Annual Meetings

| <b>Year</b> | <b>Host Institution</b>                      | <b>Meeting Site</b>          | <b>Meeting Chair</b>             |
|-------------|--|------------------------------|----------------------------------|
| 1948        | Naval Ordnance Laboratory                    | <i>White Oak, MD</i>         | Raymond Seeger                   |
| 1949        | University of Virginia                       | <i>Charlottesville, VA</i>   | Jesse Beams                      |
| 1950        | University of Illinois                       | <i>Urbana, IL</i>            | Raymond Seeger/Hugh Dryden       |
| 1951        | Cornell University                           | <i>Ithaca, NY</i>            | Arthur Kantrowitz                |
| 1952        | University of Utah                           | <i>Salt Lake City, UT</i>    | Arthur Kantrowitz                |
| 1953        | Pennsylvania State Univ.                     | <i>University Park, PA</i>   | Richard Stoner                   |
| 1954        | NACA Langley                                 | <i>Old Point Comfort, VA</i> | François Frenkiel                |
| 1955        | Mexican Physical Society                     | <i>Mexico City, Mexico</i>   | Karl Darrow                      |
| 1956        | California Inst. of Technology               | <i>Pasadena, CA</i>          | Hans Liepmann/Milton Plesset     |
| 1957        | Lehigh University                            | <i>Bethlehem, PA</i>         | François Frenkiel/Raymond Emrich |
| 1958        | Univ. of California, San Diego               | <i>San Diego, CA</i>         | Walter Elsasser                  |
| 1959        | University of Michigan                       | <i>Ann Arbor, MI</i>         | François Frenkiel/A.M. Keuthe    |
| 1960        | Johns Hopkins University                     | <i>Baltimore, MD</i>         | C.C. Lin/Stanley Corrsin         |
| 1961        | University of California                     | <i>Berkeley, CA</i>          | Raymond Emrich/S.A. Schaaf       |
| 1962        | University of Oklahoma                       | <i>Norman, OK</i>            | Leslie Kovasznay/Richard Fowler  |
| 1963        | MIT  | <i>Cambridge, MA</i>         | Stanley Corrsin/James Fay        |
| 1964        | California Inst. of Technology               | <i>Pasadena, CA</i>          | Julian Cole/Toshi Kubota         |
| 1965        | Case Inst. of Technology                     | <i>Cleveland, OH</i>         | James Fay/Eli Reshotko           |
| 1966        | Stanford University                          | <i>Palo Alto, CA</i>         | Raymond Emrich/Daniel Bershader  |
| 1967        | Lehigh University                            | <i>Bethlehem, PA</i>         | Howard Emmons                    |
| 1968        | University of Washington                     | <i>Seattle, WA</i>           | Arnold Goldburg/A. Hertzberg     |
| 1969        | University of Oklahoma                       | <i>Norman, OK</i>            | Daniel Bershader/Richard Fowler  |
| 1970        | University of Virginia                       | <i>Charlottesville, VA</i>   | Raymond Emrich/A.R. Kulthau      |
| 1971        | Univ. of California, San Diego               | <i>San Diego, CA</i>         | Carl Gibson                      |
| 1972        | University of Colorado                       | <i>Boulder, CO</i>           | Mahinder Uberoi                  |
| 1973        | Yale University                              | <i>New Haven, CT</i>         | Peter Wegener                    |
| 1974        | California Inst. of Technology               | <i>Pasadena, CA</i>          | Milton Plesset                   |
| 1975        | University of Maryland                       | <i>College Park, MD</i>      | S.I. Pai                         |
| 1976        | University of Oregon                         | <i>Eugene, OR</i>            | Russell Donnelly                 |
| 1977        | Lehigh University                            | <i>Bethlehem, PA</i>         | Raymond Emrich                   |
| 1978        | Univ. of Southern California                 | <i>Los Angeles, CA</i>       | John Laufer                      |
| 1979        | Univ. of Notre Dame                          | <i>South Bend, IN</i>        | A. Szewczyk                      |
| 1980        | Cornell University                           | <i>Ithaca, NY</i>            | John Lumley                      |
| 1981        | Naval Postgraduate School                    | <i>Monterey, CA</i>          |                                  |
| 1982        | Rutgers University                           | <i>New Brunswick, NJ</i>     | Richard Peskin                   |
| 1983        | University of Houston                        | <i>Houston, TX</i>           | Fazle Hussain/Robert Nerem       |
| 1984        | Brown University                             | <i>Providence, RI</i>        | Joseph Liu                       |
| 1985        | University of Arizona                        | <i>Tucson, AZ</i>            | C.F. Chen/Frank Champagne        |
| 1986        | Ohio State University                        | <i>Columbus, OH</i>          | Robert Brodkey                   |
| 1987        | University of Oregon                         | <i>Eugene, OR</i>            | Russell Donnelly                 |
| 1988        | State University of New York                 | <i>Buffalo, NY</i>           | William George/Charles Treanor   |
| 1989        | Center for Turbulence Research<br>/NASA Ames | <i>Palo Alto, CA</i>         | John Kim/Parviz Moin             |
| 1990        | Cornell University                           | <i>Ithaca, NY</i>            | John Lumley                      |

|      |   |                            |                                     |
|------|---|----------------------------|-------------------------------------|
| 1991 | Arizona State University  | <i>Scottsdale, AZ</i>      | D.F. Jankowski/Helen Reed           |
| 1992 | Florida State University/<br>Florida A&M University   | <i>Tallahassee, FL</i>     | A. Krothapalli                      |
