DMP Reception

Tuesday, March 13, 2001

5:30-6:30pm - Westin Hotel - Cascade Ballroom II

This year our reception will be held jointly with DCMP. Fellowship certificates and pins will be awarded. The reception is to honor our Awardees and new Fellows, to thank the Focus Topic Organizers for their efforts in helping to put the meeting together, and to meet Executive Committee members.) "any and all friends of DMP are welcome"

Our award winners are...

Art Gossard, (UC-Santa Barbara) - James C. McGroddy Prize in New Materials:

Citation: "For more than twenty-five years of major and continuing contributions to the science and technology of molecular beam epitaxy, and for the growth of heterogeneous compound semiconductor structures that have furthered both device applications and physical understanding of low dimensional structures. "

Ellen Williams (U. Maryland) - David Adler Lectureship Award:

Citation: "For her elegant experimental exploration of the structures and phase transitions of surfaces and for her effective communication on this subject in lectures and publications."

Note that our awardees will be present invited talks at the awards Session E4 on Monday afternoon in Ballroom 6E of the Washington State Convention Center. The session begins at 2:30pm.
