

TO: Members of the Division of Nuclear Physics, APS
FROM: Benjamin F. Gibson, LANL – Secretary-Treasurer, DNP

ACCOMPANYING THIS NEWSLETTER:

- Hawaii 2001 Meeting Forms
- DNP Nomination Ballot

Future Deadlines

- **29 June 2001** — User Group Deadline in order to appear in the October Bulletin
- **29 June 2001** — Nomination Ballot for DNP Elections
- **29 June 2001** — Contributed Abstracts, Hawaii Fall Meeting
- **1 July 2001** — Nominations for Bonner Prize
- **1 July 2001** — Nominations for Bethe Prize
- **1 July 2001** — Nominations for Dissertation Award
- **15 August 2001** — Hawaii Early Registration Deadline
- **5 September 2001** — Hawaii Hotel Reservations Deadline

WWW Home Page for the DNP: <http://nuclth.physics.wisc.edu/dnp>

A WWW home page for the Division of Nuclear Physics is now available at “<http://nuclth.physics.wisc.edu/dnp>.” Information of interest to DNP members -- current research topics, deadlines for meetings, prize nominations, forms, and useful links are provided. Each DNP Newsletter is posted, in advance of the copy sent via post. Comments and suggestions are solicited. Please send them to Baha Balantekin at

“dnp@nuclth.physics.wisc.edu”

1. DNP COMMITTEES

Executive Committee

Joel M. Moss, LANL, Chair (2001)
Charles Glashausser, Rutgers, Chair-Elect (2001)
A. Baha Balantekin, U. Wisconsin, Vice Chair (2001)
R. G. Hamish Robertson, U. Washington, Past Chair (2001)
Benjamin F. Gibson, LANL, Secretary- Treasurer (2001)
J. Dirk Walecka, College of William & Mary
Divisional Councilor (December 2001)
Charlotte Elster, Ohio U. (2002)
Barry R. Holstein, U. Mass (2001)
T. S. Harry Lee, ANL (2002)
Bradley M. Sherrill, MSU (2002)
Robert E. Tribble, Texas A&M (2001)
Michael C. T. Wiescher, Notre Dame (2001)

Program Committee

Charles Glashausser, Rutgers (Chair)
A. Baha Balantekin, U. Wisconsin (Vice Chair)
Joel M. Moss, LANL (Past Chair, 2000)
R. G. H. Robertson, U. Washington (Past Chair 1999)
B. F. Gibson, LANL (Secretary-Treasurer)
V. R. Brown, U. Maryland/MIT
A. Bruell, MIT
J. A. Cizewski, Rutgers
D. Dean, ORNL
K. de Jager, JLab
V. Greene, Vanderbilt
J. Hardy, TAMU
D. Hertzog, U. Illinois
A. Macchiavelli, LBNL
L. McLerran, BNL
D. Morrissey, MSU
J-C. Peng, LANL
E. J. Stephenson, IUCF
B. van Kolck, U. Arizona

Remaining committees will appear in the August newsletter.

- **Physical Review C Search**
- **E-mail Abstract Submission**

2. NOMINATIONS OF OFFICERS AND EXECUTIVE

COMMITTEE FOR 2001

Terms of the officers and three members of the present Executive Committee will expire at the close of the regular meeting of the Division to be held in conjunction with the APS spring meeting in Albuquerque, New Mexico, April 2002. Charles Glashauser will become Chair, Baha Balantekin will become Chair-Elect, and Charlotte Elster, Harry Lee, and Brad Sherrill will remain members of the Executive Committee. A Vice-Chair, Secretary-Treasurer, and three members of the Executive Committee are to be elected before April 2002.

The enclosed nominating ballot must be signed and may be returned in the enclosed envelope with your name and address printed or signed legibly in the upper left hand corner of the envelope. It should be received by **Benjamin F. Gibson** on or before **2 July 2001** in order to be counted. The DNP bylaws require that a nominee proposed for a given post by not fewer than one-fiftieth of the members (47 for this election) shall be deemed nominated for that post.

If you are a DNP member, please exercise your right to nominate candidates for the upcoming DNP elections. In 2000 there were only 127 nomination forms received by the Secretary-Treasurer. More members vote in the DNP elections, but in January 2001 only some 565 election ballots were mailed in by members. **It is important to vote!**

CALL FOR 2002 PRIZE/AWARD NOMINATIONS

3. NOMINATIONS FOR THE 2002 TOM W. BONNER PRIZE IN NUCLEAR PHYSICS

This annual prize was established in 1964 as a memorial to Tom W. Bonner by his friends, students and associates. Previous winners are: H. H. Barschall, R. J. Van de Graaff, C. C. Lauritsen, R. G. Herb, G. Breit, W. A. Fowler, M. Goldhaber, J. D. Anderson and D. Robson, H. Feshbach, D. H. Wilkinson, C. S. Wu, J. P. Schiffer, S. T. Butler and G. R. Satchler, S. Polikanov and V. M. Strutinsky, Roy Middelton and W. Haerberli, R. M. Diamond and F. S. Stephens, B. L. Cohen, G. E. Brown, C. D. Goodman, H. A. Enge, E. G. Adelberger, L. M. Bollinger, B. Frois and I. Sick, R. H. Davis, E. M. Henley, V. W. Hughes, P. Twin, H. G. Blosser and R. E. Pollock, A. Arima and F. Iachello, E. K. Warburton, F. Boehm, J. D. Walecka, R. G. H. Robertson, J. M. Moss, V. R. Pandharipande, R. Arnold, and R. Geller and C. Lyneis.

The purpose of this prize, which currently consists of \$7,500 and a certificate citing the recipient's contributions, is "*To recognize and encourage outstanding experimental research in nuclear physics, including the development of a method, technique, or device that significantly contributes in a general way to nuclear physics research.*"

Nominations are open to physicists whose work in nuclear physics is primarily experimental, but a particularly outstanding piece of theoretical work will take precedence over experimental work. There are no time limitations on when the work was performed. The prize shall ordinarily be awarded to one person but a prize may be shared among recipients when all the recipients have contributed to the same accomplishment(s).

Nominations remain active for three years. It is extremely helpful for the committee to receive additional letters of support that detail the contributions of the nominee and the impact these contributions have had on the field. It is also appropriate to submit material such as significant articles that might help us evaluate the nominee's

contribution. While general statements concerning the value of the nominee's work are important, we must have specific information that allows us to determine what the nominee has contributed and how this contribution has impacted the field.

Send name of proposed candidate and supporting material before **1 July 2001** to: Dr. P. D. Bond, Brookhaven National Laboratory, Upton, NY 11973.

4. NOMINATIONS FOR THE 2002 BETHE PRIZE IN NUCLEAR PHYSICS AND ASTROPHYSICS

This annual prize was established in 1996 by friends, students, and associates of Hans A. Bethe and announced at Bethe's 90th birthday celebration at Cornell. Previous prize winners are: J. Bahcall, E. E. Salpeter, I. Talmi, and G. E. Brown.

The purpose of the prize, which currently consists of \$7500 and a certificate citing the recipient's contributions, is "*To recognize outstanding work in theory, experiment, or observation in the areas of astrophysics, nuclear physics, nuclear astrophysics or closely related fields.*"

The award is to be made to one individual for outstanding accomplishments in these areas. No time limits are set on when the work was done.

Nominations remain active for three years. It is extremely helpful for the committee to receive additional letters of support that detail the contributions of the nominee and the impact these contributions have had on the field. It is also appropriate to submit material such as significant articles that might help the committee evaluate the nominee's contribution. While general statements concerning the value of the nominee's work are important, specific information defining what the nominee has contributed and how this contribution has impacted the field is needed.

Send name of proposed candidate and supporting material before **1 July 2001** to: Dr. G. T. Garvey, MS H846, Los Alamos National Laboratory, Los Alamos, NM 87545.

5. NOMINATIONS FOR THE 2002 DISSERTATION AWARD IN NUCLEAR PHYSICS

The now annual prize, which recognizes a recent Ph.D. in nuclear physics, was established in 1985 by members and friends of the Division of Nuclear Physics of the APS. Previous winners are: B. Sherrill and W. J. Burger, Thomas E. Cowan, Michael J. Musolf, James Edward Koster, Zhiping Zhao, Greg Schmid, Yury G. Kolomensky, Eric Hawker, John Arrington, and Daniel Bardayan.

Nature: The award consists of \$2000 and an allowance for travel to the annual Spring Meeting of the Division of Nuclear Physics of the American Physical Society at which the award will be presented.

Rules and Eligibility: Nominations are open to any person who has received a Ph.D. degree in experimental or theoretical nuclear physics from a North American university within the two-year period preceding 1 September 2001. Nominations remain in effect for two years and need not be resubmitted.

Send before **1 July 2001** the nomination of the proposed candidate, a statement of his/her contribution to the research as well as that of

others, a letter of support from the physicists who are familiar with the candidate and the research, and five copies of the thesis for the five committee members. Electronic copies in PDF or postscript format are welcome. These materials are required for each nominee and should be sent to Dr. J. M. Moss, MS H846, Los Alamos National Laboratory, Los Alamos, NM 87545.

6. FUTURE DNP FALL MEETINGS

2002	October 9–12	East Lansing, MI
2003	October	

The dates include the Wednesday “workshops,” which are normally held in conjunction with the DNP Fall Meetings. Holding “workshops” at the DNP Fall Meetings is a tradition that began with the 1986 Vancouver meeting. The Maui meeting will be an exception — no workshops but a four-day meeting. All meeting attendees are welcome and encouraged to come. It has been the intention of the DNP Executive Committees that these “workshops” should have broad appeal, with introductory pedagogical talks for the benefit of those who have come primarily for the DNP meeting but want to take the opportunity to learn about a field of specialty of the local community.

7. FUTURE APS SPRING MEETING INFORMATION

2002	April 20–23	Albuquerque, NM
2003	April	Philadelphia, PA
2004	April	Denver, CO

The 2002 APS Spring Meeting will move to Albuquerque, NM and the 2003 meeting will be in Philadelphia, PA. Any comments/ suggestions should be sent to APS Meetings Manager, Donna Baudrau (baudrau@aps.org).

8. NATIONAL NUCLEAR PHYSICS SUMMER SCHOOL

The 13th annual Nuclear Physics Summer School is being organized by Barry Holstein (Univ. Massachusetts) and Larry McLerran (BNL) and will be held at the College of the Atlantic in Bar Harbor, Maine, 12–22 June 2001. As in previous years, the school is intended for advanced graduate students and beginning postdoctoral researchers. The lecturers include:

Carleton DeTar: Lattice QCD: From the Basics to RHIC
 Wick Haxton: Nuclear Structure and Effective Field Theory
 Barbara Jacak: Exploring the Superdense Matter at RHIC
 Xiangdong Ji: Probing the Nucleon Structure in High Energy Scattering
 John Wilkerson: Neutrino Physics
 Thomas Schaeffer: QCD and Matter under Extreme Conditions

The NSF grant supporting the school covers most of the local expenses of participating students. Students should apply on-line at <http://www.bnl.gov/NPSS> prior to the 1 May 2001 deadline. Attendance is capped at 50.

The organizers ask senior physicists to encourage young researchers in their groups to apply. The school is an excellent opportunity to learn about the breadth of physics going on in our field. It also allows young

people from different subfields to meet and to recognize that they are members of a broad community.

9. 2001 DNP FALL MEETING ON MAUI, 17–20 OCTOBER, V. R. Brown

The annual Fall Meeting will be an historic first joint meeting of the Division of Nuclear Physics (DNP) of the American Physical Society (APS) and the nuclear physicists of the Japanese Physical Society (JPS). The meeting will be held at the Outrigger Wailea Resort on the island of Maui in Hawaii on 17–20 October 2001. It is our hope that Hawaii 2001 (HAW01) will serve as a meeting ground to engender cooperation and the exchange of ideas among nuclear scientists from these and other Pacific-Rim countries.

HAW01 will be a four-day meeting. There will be no workshops preceding the HAW01 meeting. The additional day will be used for sessions needed to accommodate the two physical societies. A plenary session to open the meeting and to highlight the physics of the two countries is being planned. The remainder of the meeting will consist of morning and afternoon/evening sessions of three to four hours. Typically, these sessions will consist of one invited-paper session running in parallel with multiple sessions of contributed papers and mini-symposia. As is usual, mini-symposia will involve one invited talk followed by contributed papers all on the same topic. The Organizing and Program Committees view mini-symposia as ideal sessions to integrate the two communities along topics of mutual interest.

The JPS and APS are accustomed to different session structure and time slots. In order to accommodate both Societies at HAW01, contributed talks will be 15 minutes, a 12-minute talk with three minutes allotted for questions and discussion. Invited session talks will be 45 minutes of which 10 minutes will be allotted for questions and discussion. Lead invited talks in mini-symposia will be 30 minutes (25 + 5). All speakers are urged to speak clearly and slowly and to include important points on their transparencies.

Hotel

All conference meetings and sessions will be held at the Outrigger Wailea Resort located on the sparkling Pacific shores of Maui’s south coast. The Outrigger offers multi-lingual guest relations staff, two restaurants, swimming pools, a Hawaiian culture program, etc. The Outrigger Wailea Resort is about 25 miles from the Maui airport. A room rate, which was negotiated by the Conference Coordinator, Carol Kuc, in consultation with the Organizing Committee, is \$149 (plus tax). This rate includes up to two guests per room. Additional guests are \$15 (plus tax) per person. A rollaway bed is available for \$30 (plus tax) per night. We have reserved 350 rooms at this rate. Because it is difficult to anticipate attendance at this, first of its kind, meeting and because the interest appears to be greater than anticipated, we have opened a web site for early room reservation, so that we can determine whether additional space in adjacent hotels should be sought. Hotel reservations can be made using the form included with the newsletter or online at <http://nuclth.physics.wisc.edu/dnp/fall/>.

Registration

The early registration deadline is 15 August 2001. For meeting registration, please go to <http://nuclth.physics.wisc.edu/dnp/fall/> or use the form included in this announcement. Note that registration fees after 15 August will increase, but they remain lower than the on-site registration fees.

Special Events

A welcome reception is planned for Tuesday evening, 16 October, prior to the opening session of the meeting. A Companions Get-Together (with refreshments) will be offered mid-morning on Wednesday, 17 October. A special Luau, in place of a formal banquet, will be held on Friday evening, 19 October, following a short plenary session. Please note the appropriate boxes to complete on the registration form.

Wailea, Maui, Hawaii

Wailea has been called the crown jewel of Maui. This ancient choice of Hawaiian kings provides an ideal setting for the first joint meeting of the nuclear physicists of the Japanese Physical Society and the Division of Nuclear Physicists of the American Physical Society. This lovely atmosphere of golden sand beaches, the sparkling blue Pacific, lush tropical gardens of brilliantly colored exotic blooms, swaying palms, and nearby ancient volcanoes will be a pleasant backdrop for our meetings. Leisure time activities include swimming, snorkeling, kayaking, sailing, tennis, shopping, and golfing with a choice of three world-class PGA championship golf courses. There is an oceanfront walking path ideal for discussing physics with new and old colleagues between sessions.

Satellite Meetings

It is anticipated that a number of satellite (user group and collaboration) meetings may be held either before, during, or after the official meeting. The Wailea room rates were negotiated to include days before and after the meeting, to accommodate people's needs. In order to arrange space for satellite meetings, contact Stuart J. Freedman (sjfreedman@lbl.gov) of the Organizing Committee. It is essential that organizers of such meetings work through the Organizing Committee regarding catering, menus, space, room set-up, etc. Wednesday, Thursday, and early Friday afternoon are available for such meetings. Also, it is possible that arrangements for such meetings can be made on the Tuesday prior to the reception. Meeting rooms at the Outrigger Wailea Resort will be assigned on a first-come basis.

Program Committee

The membership of the Program Committee for Hawaii 2001 (HAW01) is: Charles Glashauser (Chair), Baha Balantekin, Dick Boyd, Antje Bruell, Virginia Brown, Jolie Cizewski, David Dean, Kees de Jager, Stuart Freedman, Ben Gibson, Vicki Greene, John Hardy, David Hertzog, Masayasu Ishihara, Shigeru Kubono, Augusto Macchiavelli, Larry McLerran, David Morrissey, Joel Moss, Shoji Nagamiya, Makoto Oka, Jen-Chieh Peng, Hamish Robertson, Ed Stephenson, Hiroshi Toki, and Bira van Kolck.

International Advisory Committee

The membership of the International Advisory Committee for Hawaii 2001 is: Akito Arima (Co-Chair), Sam M. Austin, D. Allan Bromley, Hiroyasu Ejiri, Herman Feshbach (deceased), Judy R. Franz, Hermann A. Grunder, Ernest M. Henley, Kiyomi Ikeda, Ernest J. Moniz, Peter Paul, Katsuhiko Sato, John P. Schiffer (Co-Chair), Yoji Totsuka, George H. Trilling, Erich W. Vogt, Toshimitsu Yamazaki, and Koichi Yazaki.

Organizing Committee

The membership of the Organizing Committee for Hawaii 2001 is: Richard Boyd, Virginia Brown (Chair), Stuart Freedman, Ben Gibson, Masayasu Ishihara, Shigeru Kubono, Joel Moss, Shoji Nagamiya, Makoto Oka, and Hiroshi Toki.

Conference Coordinator

Making hotel and meeting arrangements for Hawaii 2001 is:

The Complete Conference Coordinators, Inc.
1280 Iroquois Ave., Suite 408
Naperville, IL 60532
Fax: (630) 416-3333
Carol E. Kuc, CMP, President

Important Dates

The deadline for electronic submission of abstracts is **29 June 2001**.

The early registration deadline is **15 August 2001**.

The hotel reservation deadline is **5 September 2001**.

For hotel reservations and meeting registration please utilize the web site <http://www.cccmeetings.com>. A downloadable PDF file is available for those wishing a hard copy format.

10. FALL MEETING MINI-SYMPOSIA

Mini-symposia will again be a part of the 2001 Fall Meeting in Hawaii. Mini-symposia are focused sessions in which an invited speaker sets the tone for the topic, provides an overview and introduction, highlights new developments, etc. That talk is followed by related contributed papers. Abstracts are submitted in the usual manner; that is, abstracts are submitted to APS HQ electronically as indicated in the instructions in this Newsletter.

To insure that your abstract is considered for the mini-symposia in which you wish to participate, it is necessary that your abstract be identified with the appropriate code. There is no guarantee that all abstracts submitted for a given mini-symposium can be accommodated in that contributed paper session. In the event that more abstracts are received than can be accommodated, the additional abstracts will be assigned to another related contributed paper session.

Mini-symposia topics for Hawaii will be announced via e-mail following the Program Committee meeting in Washington, DC.

11. ABSTRACT SUBMISSION

The deadline for electronic submission of abstracts is 29 June 2001. The meeting ID is HAW01. Instructions and abstract templates can be obtained by sending a message to abs-request@aps.org; enter "request HAW01" as the subject and in the body of the message. The LaTeX-based template can handle properly ONLY the commands provided in the template. Direct web submission of abstracts is encouraged, because it leads to fewer errors. Complete abstract submission instructions can be found at <http://www.aps.org/meet/meet-abstract.html>.

We strongly urge you to proof your abstract before submission. Contributors may submit one of two ways.

Submitting abstracts via the web: To submit a contributed abstract using the online web submission process, an author needs to know two things: (1) the number and ordering of authors and collaborators; and (2) abstract content. The web page will guide the author through the rest. Try a test submission before submitting an abstract. Log onto <http://abstracts.aps.org> and select the meeting TEST. Follow the directions online to create your own practice abstract. When ready to submit your abstract online, select the meeting HAW01 by clicking on the appropriate button. A form will be created for you. Simply input the information. Please note: Invited speakers should refer to their letters of invitation for instructions on locating the *invited* template.

Submitting abstracts via e-mail: Contributors must create their abstracts from an electronic template supplied by the American Physical Society. The template and instruction files for *contributed* abstracts can be obtained by sending e-mail to abs-request@aps.org with the phrase **request HAW01** in the message. Invited speakers should refer to their letters of invitation for instructions on receiving the *invited template*. Those contributors who are absolutely unable to submit an abstract via the web or electronically should contact meetings@aps.org.

If you have questions regarding abstract submission, please send them to abs-help@aps.org.

Please use these sorting categories when submitting contributed papers:

1. Nuclear Astrophysics
2. Electroweak Interactions
3. Electromagnetic Interactions
4. Ultrarelativistic Heavy Ions
5. Nuclear Reactions: Heavy Ion Reactions/Beams
6. Nuclear Reactions: Hadrons/Light Ions
7. Nuclear Structure
8. Instrumentation
9. Hadrons/Subnucleonic Degrees of Freedom
10. Nuclear Theory
11. Applications of Nuclear Physics
- 12a. Mini-symposium A
- 12b. Mini-symposium B
- 12c. Mini-symposium C
- 12d. Mini-symposium D
- 12e. Mini-symposium E
- 12f. Mini-symposium F
- 12g. Mini-symposium G
- 12h. Mini-symposium H
- 12i. Mini-symposium I
- 12j. Mini-symposium J
- 12k. Mini-symposium K
- 12l. Mini-symposium L

Specific mini-symposia topics will be announced via e-mail and on the meeting web site (<http://nuclth.physics.wisc.edu/dnp/fall>) following their selection by the Program Committee at the April 2001 spring meeting.

12. E-MAIL ABSTRACT SUBMISSION, B. F. Gibson

At the end of this newsletter can be found a sample postscript contributed abstract in proper form. This was generated using the template.

Please note the commands for title notes, author notes, collaboration identification, and footnotes. DO NOT USE standard LaTeX and RevTeX commands for these. Also note the 25-line length limit.

13. EDITOR, *PHYSICAL REVIEW C*, A. Halsted

The American Physical Society is conducting an international search for a successor to the current Editor of *Physical Review C* (PRC), who is retiring. The position is that of the Senior Editor of the journal, responsible for editorial standards, policies and direction of the journal, and leadership of the staff of remote and in-house editors. The Editor reports to the Editor-in-Chief. It is expected that the Editor will maintain his/her present appointment and location and devote approximately 20% of his or her time to the position.

The candidate should possess many or all of the following qualifications: stature in field of research within or close to that of PRC (nuclear physics, few body, relativistic heavy ions, hadronic physics, QCD, electroweak interactions); stature in the PRC author community; experience with scholarly journals; judgment and interpersonal skills to deal effectively with an international array of authors, referees, and editors, and with the APS; ability to guide PRC in the online era; and wisdom to lead the journal in responding to important matters and issues.

The initial appointment is for three years with renewal possible after review. Salary is negotiable. The desired starting date is December 2002 or sooner. The APS is an equal employment opportunity employer and especially encourages applications from or nominations of women and minorities. Inquiries, nominations, and applications are requested by **31 August 2001** and should be directed to:

Peter Bond, Chair, PRC Search Committee
c/o American Physical Society
1 Research Road, Box 9000
Ridge, NY 11961-9000

or electronically to "edsearch@aps.org."

14. ANNUAL REVIEWS OF NUCLEAR AND PARTICLE SCIENCE

The Division has continued the agreement with Annual Reviews, Inc., which will enable DNP members to obtain copies of the "*Annual Review of Nuclear and Particle Science*" at a 30% discount when purchased through the DNP Secretary-Treasurer, Benjamin F. Gibson, Los Alamos National Laboratory, DNP, MS B283, Los Alamos, NM 87545.

2000 Prices: The dual prices (separated by a slash) listed below correspond to USA/other countries including Canada. Volumes 13–26, 28–29, 31–33, and 35–41 are \$55/\$60 retail and \$38.50/\$42 for DNP members. Volumes 42 and 43 are \$59/\$64 retail and \$41.30/\$44.80 for DNP members. Volumes 44 and 45 are \$62/\$67 retail and \$43.40/\$46.90 for DNP members. Volume 46 is \$67/\$72 retail and \$46.90/\$50.40 for DNP members. Volumes 47, 48, 49, and 50 are \$70/\$75 retail and \$49/\$52.50 for DNP members.

Other Annual Reviews series publications are also available. A complete listing of topics and authors for the current volumes and back volumes of Annual Reviews publications may be viewed on the Annual Reviews Web Site at <http://www.AnnualReviews.org>. The Web Site also features a fully searchable abstracts data base for all Annual

Reviews publications, which allows visitors to search by author name or key words.

Payment (payable to the Division of Nuclear Physics–APS) must accompany your order and must be in U.S. funds. California orders must add applicable sales tax. *Since 1 January 1991, all orders shipped to Canada require the addition of a 7% GST (Reg. #121449029 RT).*

15. FUTURE CONFERENCES

Organizers of future conferences should contact the DNP Secretary-Treasurer if they wish their conferences listed in DNP newsletters.

NATO Advanced Research Workshop on “The Nuclear Many-Body Problem 2001,” 2–5 June 2001, Brijuni, Croatia. Contact: Prof. Eckhard Krotscheck, Institute for Theoretical Physics, Johannes Kepler University, Altenberger Strasse 69, A-4040 Linz, Austria, e-mail: Eckhard.Krotscheck@jk.uni-linz.ac.at. Workshop Directors: Witek Nazarewicz and Dario Vretenar, e-mail: nuclear@phy.hr; WWW: <http://www.phy.hr/nuclear2001>.

“ENAM-2001,” 3rd Conference on Exotic Nuclei and Atomic Masses, 2–7 July 2001, Haemeenlinna, Finland, Contact: ENAM2001, Department of Physics, University of Jyvaeskylae, P.O. Box 35 (YS), FIN-40351 Jyvaeskylae, Finland, Fax: +358-14-260-2351, WWW: <http://enam2001.jyu.fi/>.

“MENU2001,” 6–31 July 2001, Washington, DC. Contact: William Briscoe, The George Washington University, Telephone: (202) 994-6788, e-mail: briscoe@gwu.edu; or Helmut Haberzettl, The George Washington University, Telephone: (202) 994-0886, e-mail: helmut@gwu.edu.

“QCD in Extreme Conditions: High Temperature, High Density and Small-x,” Gordon Research Conference on Nuclear Physics, 22–27 July 2001, Newport, Rhode Island. Contact: Wit Busza, Bldg.

24-510, Massachusetts Institute of Technology, 77 Massachusetts Avenue, Cambridge, MA 02139-4307, e-mail: busza@mit.edu.

“INPC 2001,” International Nuclear Physics Conference, 30 July – 3 August 2001, University of California, Berkeley, California. Contact: INPC 2001, Lawrence Berkeley National Laboratory, 1 Cyclotron Road, MS 937, Berkeley, CA 94720, e-mail: inpc2001@lbl.gov, WWW: <http://www.lbl.gov/~inpc2001/>.

“3rd Euroconference on Atomic Physics at Accelerators – APAC 2001,” 8–13 September 2001, Aarhus, Denmark. Chair: Jeffrey S. Hangst, Institute of Physics and Astronomy, University of Aarhus, DK-8000 Aarhus C, Denmark, Telephone: +45 89 42 37 51, Fax: +45 86 12 07 40, e-mail: hangst@ifa.au.dk, WWW: <http://www.ifa.au.dk/apac2001>.

“2001 International Workshop on Polarized Sources and Targets, PST2001,” 30 September – 4 October 2001, Bloomington, Indiana. Chair: Vladimir (Laddie) Derenchuk, Co-Chair: Barbara von Przewoski, IUCF, 2401 Milo B. Sampson Lane, Bloomington, IN 47408-1398, Telephone: (812) 855-9368, Fax: (812) 855-6645, e-mail: pst2001@pst2001.org, WWW: <http://www.pst2001.org>.

“9th International Conference on the Structure of Baryons, BARYONS 2001,” 30 September – 6 October 2001, Jefferson Lab, Newport News, Virginia, USA, Chairs: Nathan Isgur and Bernhard Mecking. Contact: Sue Ewing, Jefferson Lab, 12000 Jefferson Ave., MS12H2, Newport News, VA 23606, e-mail: BARYONS2001@jlab.org, Telephone: 757-269-6363, Fax: 757-269-7398, WWW: <http://www.jlab.org/intralab/calendar/archive00/baryons.html>.

“2001 IEEE Nuclear Science Symposium and Medical Imaging Conference,” 4–10 November 2001, San Diego, California. Contact: Uwe Bratzler, MIT and CERN, e-mail: Uwe.Bratzler@cern.ch, WWW: <http://www.nss-mic.org>.
